

Please check with your principal to see if budget resources at your school can pay for a bus. If funding is not possible, here are some other options:

### **RIDE METRO TO THE WALLIS**

The GoPass Program is available to students at participating K-12 schools, focusing on helping students ride transit without worrying about paying fares. With a registered GoPass TAP card, students attending participating schools can ride Metro and other participating systems to and from school and for trips after school and on weekends.

### **LOS ANGELES CHARTER BUS PROGRAM**

The City of Los Angeles Charter Bus Program is designed to assist senior, youth, and disabled groups with free or subsidized charter bus services to attend the region's educational, recreational, or cultural events. Service is provided on coach, school, and wheelchair-accessible vehicles throughout the year on a first-come, first-served basis. For more information, please visit:

### **DONORS CHOOSE**

Donors Choose is an online charity that connects classrooms in need with donors. Here's how it works: public school teachers from every corner of America post classroom project requests (including bus transportation) on Donors Choose. Visit [www.donorschoose.org](http://www.donorschoose.org) for more information.

### **WALLIS SCHOLARSHIP**

EXTREMELY LIMITED scholarship options are available through the Wallis. Applicants must have exhausted all funding options mentioned above. Reach out to the education department, [education@thewallis.org](mailto:education@thewallis.org), to discuss.
